Summary Order

Today this court filed under seal a Memorandum, Decision and Order ("MDO") granting a motion for summary judgment by defendants and denying a cross motion for summary judgment by plaintiffs. The amended complaint as well as all motion papers have also been filed under seal pursuant to the Order of Honorable David R. Homer, United States Magistrate Judge. See Dkt. No. 12.

The parties are advised that the MDO shall remain sealed for thirty (30) days from the date of its filing, after which time it will be unsealed and will be available to the public. The parties are invited to suggest redactions for the publicly filed version, with supporting legal authority. Said suggestions should be submitted by letter motion and may be filed under seal. Failure to suggest redactions will result in the MDO being unsealed and publicly filed after the expiration of thirty (30) days from the date of filing of this Order.

IT IS SO ORDERED.
